**BE A HERO, BECOME A  
FOSTER PARENT**

**Every child  
should have  
a place to  
call home.**

***B***ring a smile to a child's  
face and peace to their heart.

*Homes For Kids is looking for  
foster parents willing to join  
our team.*

*Homes For Kids will provide  
you with all the training and  
support you need to become part  
of our family and a professional  
foster parent.*

Did you know there are approximately 200 children in Ashtabula County who have been emotionally, physically or sexually abused? Many of these children need temporary help from a foster parent or permanent help from an adoptive parent.

Every child deserves a chance to grow and become the best that they can be. Wouldn't you like to offer that chance to a child in need?
